

@Damian, convert to pdf after

Task2:

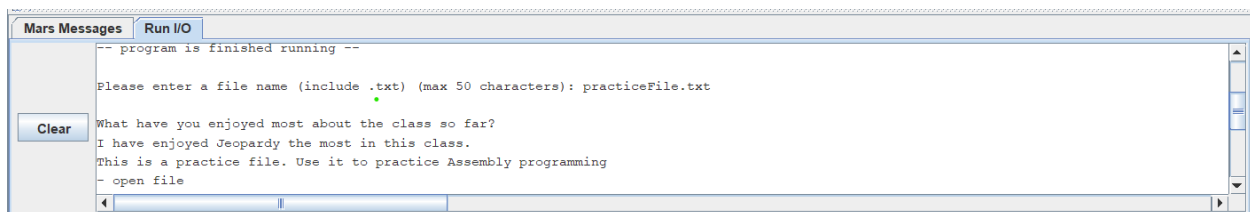

The screenshot shows a window titled "Mars Messages" with a tab labeled "Run I/O". The output text is as follows:

```

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ultrices dui sapien eget mi proin sed libero
Mollis aliquam ut porttitor leo a. A diam maecenas sed enim ut sem viverra aliquet. Enim sit amet venenatis urna cursus eget nunc scelerisque. Sed turpis tincidunt id a
A iaculis at erat pellentesque. A diam maecenas sed enim ut sem viverra aliquet eget. Phoncus dolor purus non enim. Turpis massa tincidunt dui ut ornare lectus sit amet
Nulla aliquet enim tortor at. Sed cras ornare arcu dui vivamus arcu felis. Quam vulputate dignissim suspendisse in. Odio morbi quis commodo odio. Ut ornare lectus sit a
Suspendisse sed nisi lacus sed viverra tellus in hac habitasse. Dapibus ultrices in iaculis nunc. Vivamus arcu felis bibendum ut tristique et egestas. Scelerisque eu ul
-- program is finished running --

```

Task 3:

The screenshot shows a window titled "Mars Messages" with a tab labeled "Run I/O". The output text is as follows:

```

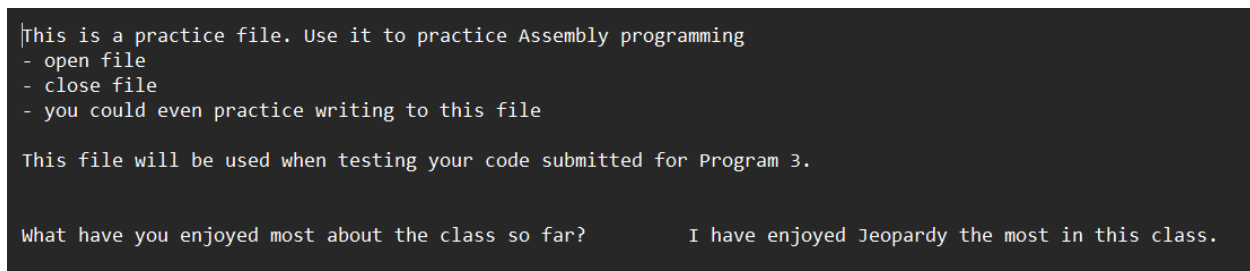

-- program is finished running --

Please enter a file name (include .txt) (max 50 characters): practiceFile.txt
.
What have you enjoyed most about the class so far?
I have enjoyed Jeopardy the most in this class.
This is a practice file. Use it to practice Assembly programming
- open file

```

A "Clear" button is visible on the left side of the window.

"I have enjoyed Jeopardy the most in this class" Is the user input, as shown in the result below. Afterwards, it prints out the whole file contents.

The screenshot shows a terminal window with the following text:

```

This is a practice file. Use it to practice Assembly programming
- open file
- close file
- you could even practice writing to this file

This file will be used when testing your code submitted for Program 3.

What have you enjoyed most about the class so far?      I have enjoyed Jeopardy the most in this class.

```
